

SOUTH ASIAN LIBRARIES CONFERENCE

Journey through Print to Digital Information & Beyond

12-13
October 2015

Subject: **INVITATION FOR PARTICIPATION**

Dear Sir/Madam

Pakistan Library Association (Punjab) is organizing two days South Asian Libraries Conference on “**Journey through Print to Digital Information & Beyond**”¹ from October 12-13, 2015 at Lahore University of Management Sciences (LUMS)², Lahore.

The purpose of this conference is to address the issues of ownership, planning, organization and development of the libraries in South Asian Libraries. The transformation of knowledge from print to digital and other formats as well as the different methods of information handling & dissemination will be discussed. This conference on a unique theme will be held in Lahore having the best accommodation facilities in Pakistan. The conference will provide an opportunity to participants to interact and share their experiences.

It will be an honor for us if you come and grace the conference as a “**participant**”. It will also be an honor for us to attend the conference and share your experiences on the conference theme with other participants. A large number of national & international researchers, practitioners and academicians will contribute their research papers in the above mentioned South Asian Libraries Conference. Around 400 library and information science professionals, educationists, dignitaries, library friends, legislators and public opinion makers will participate in the conference from all over Pakistan and abroad.

We will feel an immense pleasure to honor you with full hospitality in shape of accommodation, transport, and food.

Best regards,

Dr. Muhammad Shahid Soroya
Conference Secretary &
Secretary, PLA (Punjab)
